February 5 *Youth Sunday* Communion: Souper Bowl Sunday, Hastings High School Food Pantry

"Mission

The mission of HHS Food Pantry is to help students:

- promote self-advocacy and independence
- recognize needs and utilize resources
- address nutrition issues not filled by school breakfasts and lunches.

Data for Hastings Public Schools, published on the Nebraska Department of Education's website, shows that 60% of Hastings Public Schools' students qualify for free or reduced meals. What does this mean? This means that six out of every 10 students qualify for free meals or reduced price meals daily at school.

Good news in the fight against hunger: Students have breakfast and lunch at school, but what happens on weekends? Well, at the elementary level, service organizations have filled the need with a backpack program that gives kids food like peanut butter, jelly and bread to take home for them and their families to get through the weekend.

However, the need does not stop there. Many of our students face the same circumstances on weekends that elementary age students do but are unsure of where to turn for help. It is because of this that a group of HHS staff and patrons have created a food pantry here at school. Students will have access to food, hygiene products, and school supplies.

This service will be available to ANY student in need. Each week on Monday, students will complete the form during T3. Students will remain anonymous, but filling out the form will give us the number of students who will be picking up groceries and supplies. On the last day of the week, students can go to the room at the base of stairs before the locker rooms for pick up.

We are aware that students may not think they need the service on Monday, so they will click "Do Not Need." However, if you have done this and find your circumstances have changed, you can still stop by the pantry or speak with a pantry committee member. The HHS Food Pantry will be open on the last day of each school week. We need every student to fill out the survey (link above) on Monday, so we can have an idea of how many students we can help each week." *HHS Food Pantry*. N.p. n.d.

A guide-book will be created with photos and descriptions of each cross.

COMMITTEE NEWS

Besides our Go & Serve journey, this year we have decided to work on some **Stay & Serve** projects in our own town, an added an 'at home service' to our group. We are hoping that the kids who are not going to Charlotte, NC in July will participate in the *Stay & Serve* projects in the community once a month, and that the parent(s) share in the opportunities by participating as well.

Our Go & Serve trip will be to Charlotte, NC, with the CROSS Mission (Charlotte Regional Outreach Spirituality and Study) at Myers Park Presbyterian Church.

We are going a bit later this year July 9 through the 15, and will probably fly out of Omaha. Our first *Stay & Serve* project was January 21 and we made fleece tie blankets and are donating them to SASA. We thought the size of the blankets was more suited to children that are taken from their homes with a parent in that situation and that SASA can distribute them as needed.

In February we are helping with the United Harvest distribution with more service projects to come. March 18, Go & Serve will be sponsoring the craft sale in the annex building.

More will be planned in the future months.

A email has been sent out to the parents detailing all of this. If you didn't get it let us know. There will be a student/parent meeting after the Congregational Meeting on January 29th. Pizza will be provided.

For more information contact Kim Hermann at farmwife24@icloud.com or Tammie Nowka at nowkat@charter.net.

*"When working with your attorney to update your **will and estate plan**, please consider including a gift to the First Presbyterian Church Foundation that will enhance the work of this congregation for many years to come.
