Work Shirts Needed for Proteus

There is a great need for long sleeve work shirts for migrant workers this summer. These shirts protect the workers from the sun and exposure to agricultural chemicals. While you are doing your spring cleaning, if you find long sleeve shirts you are no longer using, please bring them and place them in the specially marked tub outside the Hands Around the World Store. If you would like to participate in the distribution of the shirts to the workers in early July, please email Denny Storer (cdstorer@inebraska.com) for details.
