NOTABLE NOTES FROM...

KATHY DUVAL

With Gratitude and Thanks...

When thinking of First Presbyterian Church and counting the blessings that have been brought to each of us I wonder if anyone thinks of the Nursery and the special care that is being provided and has been provided for decades to family members. I sure do. I know that my experiences in some ways are quite unique and in other ways very universal, it's all about being a mom and having support given with love.

I raised my three children in this church home and knew that all my children were welcomed to the Nursery whenever we needed it, which we did. Our church Nursery enabled me to have a break by giving the time and space I cherished to attend fully to Sunday morning church services. As each child grew they joined us in worship; they learned the importance of prayer, community and making a joyful noise of praise through our glorious music. But I always knew that there was a safe and fun place for them to go if the need should arise.

However, what makes my story a bit unique is because of my wonderful and very special middle daughter, Laura. Rules were bent for her special needs so that she could attend our Nursery though all her growing up years, as well as still being a choice for her. ALWAYS love and welcome have been extended to her in our Nursery so that she knew that she was an important member of our church family. Because of her hearing and cognitive difficulties attending Sunday church services were difficult, not always a meaningful experience and occasionally a trying experience for this mom as I tried to find ways to keep her engaged, somewhat on task and not upset. But the Nursery was always open to Laura, it was a place that she could be herself and could help others. Laura loves seeing the babies come and little ones play, she knows their likes and dislikes and is delighted by their antics. She knows their family members and is happy to be a small part of the lives of those who come to this special place. It is such a delight to see the staff and children welcome Laura and include her on Sunday mornings, and the heart of this mother is continually filled with gratitude.

So, I would gently suggest that when you take the time to begin counting the many blessings of our church, remember the Nursery and it's staff – unsung heroes of love. Thank you for your service to all the children of our church.

November Communion Offering goes Crossroads Mission, Hastings, NE.

Crossroads Center is excited to celebrate 35 years of ministry in Hastings! God has been so very faithful to the ministry as we strive to "Bring glory to God" through the helping of people, making an impact in the lives of men, women, and families who experience homelessness.

We are in the process of a remodel to make more space in our lobby and dining area. This year Crossroads has experienced many breakdowns in our facility with the security system, the heating and cooling system, including when a tree fell through the roof of the family wing. We are in need of funds to help cover the costs of these repairs.

November 15th we will be hosting an open house at the Hastings Facility, 702 west 14th Street. The open house will be from 9am - 5pm and all are welcome to come tour the facility, see the exciting upgrades, and learn about the 4 phase PRP program.

In the evening from 6:30 - 8:00pm we will host a concert at the Hastings Auditorium with Christian band VODA. Please prayerfully consider a free will offering.

- ✓ The Coat drive was a huge success! Out of the 350 coats collected, only 40 remain. Those 40 coats will be available at the November United Harvest. There were a lot of hugs and some tears of appreciation exchanged on Saturday, 10/20.

Thank you to the middle school youth for hanging and organizing the coats during their lock-in, and thank you to the congregation for your giving hearts.

- ✓ The Food pantry delivered 32 items of groceries for a total of six bags during the week of October 14th.

World Community Day November 2, 2018 Hosted by Hastings Church Women United at Grace United Methodist Church (1832 West 9th Street) at 10:00.

The overall theme of "Reaching Toward Wholeness," reflects the idea that being wholeness requires feeling safe, cared for, valued and connected within our local community and the larger world. With these aspects present, there is harmony. Like many voices coming together in a chorus, people of many cultures and nations can come together to lift humanity beyond the brokenness of discord, violence, and war.

World Community Day began in 1943 from discussions at a meeting of denominational presidents and executive secretaries asking that a day be set aside in the fall for the study of peace by church women. WCD continues to emphasize peace but has been broadened to include justice, a vital partner of peace. The once clear categories of "domestic" and "foreign" were consciously blurred so the global scope of the wide range of problems could be emphasized on World Community Day.

November PW meeting and luncheon is on November 7. The program will be given by Sarah Nottage-Tracey on her experiences in China. Sounds interesting, doesn't it? Please RSVP to the church office by Monday November 5th. *FYI... The Circle meeting dates are a little different this month:*
