NOTABLE NOTES FROM...

PASTOR GREG

Dear First Presbyterian Church family:

The Pine Ridge Indian Reservation is just 350 miles northwest of us, but it feels like a completely different world when you are there. Oglala Lakota County, where the reservation is located, has the lowest per capita income (\$8,768) in the country, and ranks as the "poorest" county in the nation. The officially reported poverty rate for American Indians living on Pine Ridge is 53.75%.

We believe that everyone living on that reservation is a precious child of God, made in the image of God, and is deserving of human dignity and love.

First Presbyterian Church has a long history of helping our sisters and brothers at Pine Ridge. We ran Go and Serve mission trips there in 1982, 2008 and 2015. More recently we have had an ongoing drive for feminine hygiene products for school aged girls which we have been shipping to the schools on the reservation.

Unfortunately in the midst of the ongoing struggles with poverty, the Pine Ridge Reservation was profoundly impacted by the flooding in March 2019. Our congregation feels a call to respond so we will take a mission trip there in early June.

We will be working with Lakota Solar Enterprises, one of the first 100% Native-owned and operated renewable energy companies. They provide green job training opportunities for Native Americans including: Solar heating, solar water pumps and hot water systems, and business Development in Indian Country. They also do extensive reforestation projects.

Their base of operations and training center was severely impacted by the flooding. Our team will stay on-site at their training center and help with flood relief and recovery efforts in the area so that they can return to their work of empowering the local community and working to break the cycle of poverty on the Pine Ridge reservation and beyond.

We will also bring supplies that have been requested by the local community. These will include flood relief supplies, construction supplies, and basic necessities, particularly for babies.

There are four ways you can get involved in this vital work:

1. We need volunteers to help with the cleanup and light construction work.
2. We need volunteers to help support the team by traveling to prepare and cook meals.

(For traveling volunteers, we will depart Hastings at 6am on Friday, June 7 – Return to Hastings by 7pm on Monday, June 10.)

3. We need volunteers to help us plan, buy, and prepare the meals for the team before they leave.
4. We need supplies to take with us that have been requested by the community: diapers (newborn and sizes 4 & 5), wipes, teething medicine, baby bath stuff, powdered baby milk, bottles, baby clothing.

The situation at Pine Ridge is challenging, but we have the opportunity to help provide hope. We can be the hands and feet of Jesus to bring light and love into the community.

If you would like to sign up for any of this, contact Pastor Greg or call the church office at 402-462-5147.

Thank you for all you do as a church to share the love and light of Christ!

Your servant in Christ,

Pastor Greg

Work Shirts Needed for Proteus There is a great need for long sleeve work shirts for migrant workers this summer.

These shirts protect the workers from the sun and exposure to agricultural chemicals. While you are doing your spring cleaning, if you find long sleeve shirts you are no longer using, please bring them and place them in the specially marked tub outside the Hands Around the World store.

To participate in the distribution of the shirts to the workers in early July, contact Denny Storer.

Mission Committee Update...

We delivered 65 mini bottles of shampoo and lotion to SASA. They are in need of these for comfort kits for their new client, so when you spend the night in a motel, collect the un-used mini bottles and put them in the diaper tote in the Memorial Room.

Dear Friends, We thank you for the fragrant lily and our Deacon Theresa's visit. We appreciate your keeping Jim in your prayers. He has many ongoing health issues and your prayers have helped him deal with these concerns.

-Mary Jeanne Cooke

June Communion Offering is the Pentecost special offering which helps our youth begin life with a strong start - a solid foundation of faith formed in the years from childhood through young adulthood. A portion of the offering will stay with our congregation and go to the Mexican Dance Troupe.

PLEASE NOTE:

A new lock has been installed in the Kitchen Door. The previous code is no longer valid. If you are in need of the new code, please come to the office and fill out the form.

Sisters & Brothers in Christ,

Heartfelt thanks to everyone who celebrated the work of the Spirit in Harvard and my ordination on 5/11 at Harvard UCC during worship, fellowship and feasting. Special thanks to Pastor Greg for an inspiring exhortation & prayer, and for recently sharing an update on the Mexico/U.S. border crisis during the Harvard Church Women United luncheon. ALL of you have shaped my call to serve Christ through prayer, encouragement, support and constructive criticism. For all of this exhortation in the Spirit I am eternally grateful! Thanks also to Kili Wenburg and Rev. Dr. Bill for guidance while discerning an "odd & wondrous" calling to formal ministry during the past 12 years.

Sharon Steenbarger's accompaniment on 5/11, and many other times, is appreciated along with Neil Riley's trumpet music and teaching students at Harvard Public Schools how to praise the Lord through music and in many others ways. Thanks to the Lay Committee Team that assisted Pastor Greg while I completed my final hour of credit at First Pres. for the M.Div. through the University of Dubuque Theological Seminary.

My daily prayer for all of you is that you listen more closely to the Spirit via spiritual direction with Kili, Deacons, Stephen Minsters, Pastor Damen, Pastor Greg, and each other in small groups. Did not Jesus constantly listen to the First Person of Beloved Trinity during 33 years on Planet Earth?

Without thanking everyone connected to the rapidly expanding body of Christ at FPC, I would also like to thank Rev. Dr. David McCarthy & Rev. Dr. Dan Deffenbaugh for their outstanding pedagogy at Hastings College which also resulted in three outstanding Youth Directors serving at Harvard UCC while completing their education at Hastings College. God is doing great things at First Presbyterian Church!

Shalom, Pastor Dave Johnson

JOIN THE FIGHT AGAINST CANCER

The Relay For Life Walk is Friday, June 7, at the Hastings High School track, 6:00 p.m. until 10:00 p.m. Once again, we have a First Presbyterian team as we have the past 7 years.

There are several ways you can support the fight against cancer.

1. You may purchase/dedicate a luminary in honor of, or in memory of, someone you love who has battled cancer. The suggested cost is \$10. Luminaries are lit up around the track making a beautiful sight at sunset. Luminaries are now available at a table in the Memorial Room each Sunday or in the church office during the week.
2. Donations may be given on line at www.Relayforlife.org.

The Relay For Life movement is the world's largest fundraising event to end cancer, uniting communities across the globe to finish the fight. Dollars raised help the American Cancer Society save lives by supporting education and prevention efforts, funding groundbreaking cancer research, and providing free information and services for people with cancer who need them.

VBS 2019 - Monday, June 3- Thursday, June 6 9:00am-12:00pm.

We are preparing for another great Vacation Bible School! This year, we are using Living Waters for the World's VBS curriculum: *Water All Around the World*. It is designed to enable children to understand the importance of access to clean water for health, and to make them aware of the way in which this access (or lack of access!) affects the lives of children in other countries. It also teaches the value of water in our own lives.

2019 VBS Volunteer Sign-Up

It is our prayer that God has VBS in His plan for your life! We know Jesus will work through YOU at VBS. Would you prayerfully consider serving in VBS? Please register SOON as a volunteer at <https://fpchastings.org/children/>. Please contact Stephanie at stephanie@fpchastings.org or 402-462-5147 with any questions or if you'd like a printed registration form.

To register your child to attend VBS go to <https://fpchastings.org/children/> for the best week of the summer! **Early drop-off option at 8:00am by pre-registration ONLY. Everyone welcome! Pre-school (must be toilet trained) through 4th Grade

Special Needs VBS 2019 will be held Tuesday, June 4 – Thursday, June 6 from

1:00 pm – 3:00 pm

Our ecumenical Special-Needs VBS will be staffed by volunteer special education teachers and others familiar with children who have special needs...maybe even a teacher, para, or parent you know.

Registration is open to elementary-aged, special-needs children and siblings. Registration is limited so sign-up now at <https://fpchastings.org/children/>. If you would prefer a printed registration form, please contact Stephanie at the email or phone listed below.

➤ ***All registrations must be received before May 29.***

Can't wait to see you there! For more information, e-mail stephanie@fpchastings.org or call Stephanie at 402-462-5147.

The **PW Father's Day** Offering this year will go to *The Guatemala Network of Living Waters for the World*. There will be a table in Memorial room for donations May 26, June 2, and June 16. You may also take donations to the church office during the week.

More than half of Guatemala's population lives below the poverty level, with nearly a quarter living on less than \$2/day. Many people lack a source of safe drinking water, which has a multiplying impact on poverty. Currently, there are over 210 Living Waters for the World filtration systems installed across Guatemala, providing each of the surrounding communities with an opportunity to live longer, more healthful lives because they are finally free of water-borne illness and disease.

The Guatemala Network of Living Waters for the World helps to support teams that go to Guatemala to install waters systems, and provides ongoing support to those systems through local in-country staff. Pastor Greg has served on the US board of Living Waters for the World for the past six years. He also serves on the Guatemala Board of Living Waters for the World. As such, he travels there twice a year to help support the operation.

³¹When he was gone, Jesus said, “Now the Son of Man is glorified and God is glorified in him. ³²If God is glorified in him, God will glorify the Son in himself, and will glorify him at once.

³³My children, I will be with you only a little longer. You will look for me, and just as I told the Jews, so I tell you now: Where I am going, you cannot come.

³⁴A new command I give you: Love one another. As I have loved you, so you must love one another. ³⁵By this everyone will know that you are my disciples, if you love one another.”

John 13:31-35
