- Five former pastors/friends of the church will be back to help lead worship including Rev. Duane Queen, Rev. John Curtiss, Rev. Cheryl Ann Elfond, Rev. Ron Holmes, and Rev. Stan Kessler.
- The President of Hastings College, Dr. Rich Lloyd, will be there to celebrate the partnership between the church and the college.
- The Pastor of First United Methodist Church, Rev. Lance Clay, will be there to celebrate the partnership between our two churches.
- Executive Presbyter Rev. Polly Deppen-Williams will be there to represent the Presbytery of Central Nebraska
- A representative of the City of Hastings will be there to read a proclamation that celebrates our 150th Anniversary and reflects on the impact that our church has had on the community of Hastings.

Following the service, there will be a luncheon in the PEACE Center (across the street from the church). The luncheon is free, and all are welcome to attend; however, we do need a headcount to order the food. So please RSVP by Thursday, August 31, by calling the church office at (402)462-5147.

First Presbyterian Church Online Church Directory: let's get started!

As you are aware, First Presbyterian Church has a software Program called *Realm*. While there are many great features to Realm, one of the biggest, and the one you will probably use most often, is the online church directory.

We feel that this online church directory is a great way to provide a secure listing of our members' names, addresses, contact information and birthday (excluding the year born). This online directory is meant for members and staff of our church and is not open to the public. You must have a user account, password and an invitation from Realm in order to get this set up. In order to have secure access to this directory, you will be receiving an invitation to set up your online account and your privacy settings.

**NOTE you will only receive an invite to join if you have an active email account.* If you have not received an invitation, check your junk mail folder first, and then please contact Melissa at the office to make sure we have an email address for you that is accurate.

You can have an account on your own computer and/or on your phone. The invitation going out will be for you to set up your username and password. Whatever you chose for your username and password on your computer will be the same thing you will use on your phone with the app.

Other ways to set up your account without an invitation:

<https://onrealm.org/FirstPresbyteri4075/Account/Start> to create an account in Realm

<https://onrealm.org/FirstPresbyteri4075/SignIn> for the online login/website (after account is created)

Found on App Store

You will most likely see that a great deal of basic account information already exists for you, but you will have the option to add, delete and modify. You can also add (and change) your photo, but most importantly, **you are the one who sets the degree of privacy you wish to have on your account.**

In order to change your privacy settings:

On your computer: underneath your photo, click the padlock symbol is for adjusting your privacy.

On the APP: click on the 3 dots at bottom that say MORE: choose profile> click on the pencil icon next to each option. This lets you set privacy.

If you have questions, please feel free to contact me or stop by the church office and I would be happy to help you.
