

## **First Presbyterian Church of Hastings**

### **Memorial Wall**

The purpose of the Memorial Wall is to allow for the memorialization of those persons who have had a connectional relationship with First Presbyterian Church. It may be that their remains are interred elsewhere but the family wish the deceased be remembered for their relationship to the Church. A name of remembrance on the Memorial Wall shall be limited in eligibility in the same manner as niche inurnment eligibility.

The Church will arrange at the expense of the donor initiating the memorialization for the engraving of the name on the face plate of the Memorial Wall. The expense will be \$150 plus the cost of engraving and shipping. The location of the names of remembrance will be at the discretion of the Columbarium Committee. Consideration of the costs of engraving will be taken into consideration in that choice. The engraving will be executed in a consistent and uniform manner. Each face plate can accommodate six lines of names.
